Swedencare acquires NaturVet

Swedencare acquires the American company NaturVet, one of the US' largest and most profitable companies in the premium segment for supplements for the pet healthcare market. Through the acquisition Swedencare will receive a very strong presence within

premium pet products. NaturVet's products are available in over 100 countries, including the US, Canada, and Europe.

NaturVet has a long history of providing high-quality, natural pet supplements. The company's products are made from natural ingredients and are free of artificial colors, flavors, and preservatives. NaturVet's products are available in a variety of formats, including capsules, tablets, and powders.

Swedencare is pleased to announce the acquisition of NaturVet, a leading provider of natural pet supplements. The acquisition will strengthen Swedencare's position in the premium pet healthcare market and provide our customers with a wider range of high-quality products.

Swedencare's commitment to providing high-quality, natural pet supplements is unwavering. We are excited to welcome NaturVet to the Swedencare family and to continue our mission of providing the best possible care for our customers' pets.

For more information about the acquisition, please visit our website at [www.swedencare.com](#). We look forward to continuing our partnership with NaturVet and providing our customers with the best possible care for their pets.

Swedencare is a leading provider of natural pet supplements, and we are proud to be part of the Swedencare family. We are committed to providing high-quality, natural pet supplements that are free of artificial colors, flavors, and preservatives.
